

What Our Campers' Parents Have to Say

“When I signed up for this camp, I didn’t realize how many interesting field trips and theme work was included, or that the campers swam every day and were divided into small groups. It was a great summer!”

“From the first call to find out information, to the open house and every day since, all of the staff have been pleasant, organized and professional. Swimming has been wonderful, the lessons went really well, and he loved all of the field trips. We will definitely be back next summer.”

“My daughter absolutely loves camp, the staff and the friends she has made. As a parent, it is wonderful to go to work and not worry. Every camper is greeted by name each morning creating a very welcoming environment.”

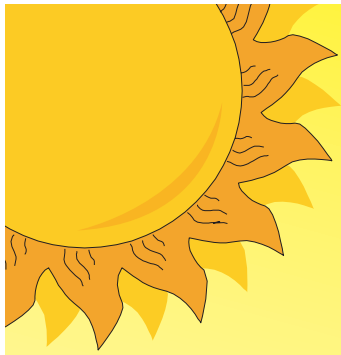

“You have a wonderful summer program and I look forward to bringing my daughter back next year. This was one of the best things I could have done for her.”
